PACKING LIST FOR THE GUYS

CLOTHES FOR SWIMMING, SPORTS AND SERVICE

What should I wear? At camp, you are going to have **FIVE DAYS** of great activities! We want to make sure you are prepared for whatever comes your way! **Bring some trunks but stay away from the speedos PLEASE!** Don't forget to pack clothes you can play the games in AND get messy (there are no washing machines at camp so bring a few options) . Finally, **bring some nice clothes** for the night time services. You don't have to look your Sunday best, but make an effort to dress up a little. (nice jeans or shorts and clean shirts with sleeves and no rips or tears will be fine).

\$\$\$ SPENDING MONEY \$\$\$

Should I bring spending money? All of your meals starting Monday night are included with your registration so if you forget to bring money, no big deal, you will live. However, you can bring some extra cash for the **late night café** if you want some extra grub or for the **camp store** where you can get a bunch of cool stuff ! Most importantly, at some point during the week, an offering will be taken for **Speed the Light** so don't forget to set some money aside to help out our awesome missionaries!

SLEEPING AND SHOWERING

What do I need to bring for our room? At night you are going to be staying in a nice, air conditioned room but you will need to bring your own **sleeping bag and pillow** (or a **set of twin sheets and blanket**) . Some guys like it cold at night, if that's not for you then bring some sweats and a hoodie. For the bathroom, bring your own **soap, shampoo, and a couple of towels**. It might be a good idea to pack a **pair of flip flops** you can wear in the shower too. Lastly, bring a **plastic bag** you can put your dirty clothes into... It helps!

WHAT ELSE?

What else should I remember? Breakaway is going to be an amazing week and **God is going to do some incredible things in your life!** Bring a **notebook and a bible** so you can write down some of the awesome things God is doing for you while at camp! **Make the most of every opportunity** by meeting new people giving your best during the games, getting real in worship, and meeting with God every chance you get! **This is going to be the greatest week of your life!**

SEE THE OTHER SIDE FOR A PACKING CHECKLIST AND SOME GOOD ADVICE

Tip #1 check your wardrobe

Remember Guys, shirts with profanity or suggestive sayings, or shirts that have giant tears down the side where the sleeves should be are not allowed at camp. We know the ripped shirts are comfortable, but with the games you will be playing, they can get torn off the rest of the way and that becomes a hassle. If you have a problem with your pants falling below your butt, pack a belt. Nobody wants to know if you are a boxer or brief guy. And last but not least, make sure you pack different clothes for the daytime games and the services. Chances are you aren't going to be able to wear that beat up, torn up, muddy shirt you wore out all day to service.

Tip #2 Men of God

Take care of each other. Show a little valor by opening doors and being gentlemen. Practice good sportsmanship out on the field and lead the way in worship!

Tip #3 Keep it Safe

Be smart with your valuables! If you don't absolutely need it at camp, don't bring it! Take only what you need when you leave your room. There are no totally secure places to leave your things if you want to play games or go swimming so think twice before leaving your room with your valuables or money. One more thing...turn in ALL MEDICINE to the camp nurse even if you think it's not a big deal. The camp nurse will keep all your medicine safe and secret. Nobody will know what you take.

Tip #4 Team Pride

Don't forget...Pack stuff with your team color on it! When you find out your team color, try to bring clothes and gear that will show your team pride! Everybody else on your team will have team color so don't be "that guy" who forgot. Plus, the more pride your team has, the more points you rack up! You can also bring stuff to deck out your room, just remember, no duct tape, spray paint, or colored hair spray (that stuff can cause damage to the room).
