There are 5 important steps toward becoming a member! (see other side)

Resurrected Life Church International,

Where there is a resurrection waiting for you!

In order to enter into membership, we ask everyone to complete the following process:

1. Fill out and submit Membership Application

Complete the front side of this application and turn it in at the Welcome Center located in the foyer near the front entrance.

2. Attend Membership Orientation

Membership Orientation is usually held on the last Sunday of every other month. (See church bulletin for specific dates.) The information discussed at the Orientation will give you insight into the history of Resurrected Life. The leadership, structure, and vision of the church will also be covered. Finally, there will be a brief discussion of your spiritual gifts and how you will be able to use them to the glory of God.

3. Baptism by immersion

If you have not been baptized by *immersion*, (complete submersion in water) since you accepted Jesus as your Savior, in accordance with the Word of God, you may need to be baptized. Please fill out and submit a Baptismal Application, located at the Welcome Center. Once you have filled out the application, a member of the Baptismal Team will contact you in regard to the date of your baptism, as well as, any other details you will need to know.

4. Attend your Membership Interview

After completing the Membership Orientation, you will have the opportunity to meet with one of our leadership to discuss your Christian walk, explore the reasons why you would like to make Resurrected Life your church home, and discuss your place of ministry within this body. This is a great time to get to know our leadership and discuss ways for you to continue your growth in Christ.

5. Attend Membership Sunday

The Membership Process is completed with Membership Sunday. Membership Sunday is usually held on the last Sunday of the Membership month (you will be informed as to the exact date at the Membership Orientation). On that Sunday, we will present all candidates who have completed all of the above steps before this church body and welcome them into our fellowship at the 9:00 a.m. Service. You should consider this an important and significant time in your Christian walk. Establishing ourselves into a local church body is a commandment and a privilege. We are glad that you've been led by God to make this decision.

"For we are members of His body." Ephesians 5:30
